AN EXCLUSIVE ONLINE CONCLAVE OF ALL EDITORS

Editorial Conclusion 2026

DATE	TIME	PLATFORM	LAUNCHING
19 December 2026	4:00 – 5:30 PM IST	Zoom (online)	MPRP 3.0

PURPOSE

To review 2026 publication performance, identify editorial gaps, strengthen journal quality and establish strategic priorities for 2027 in alignment with international publishing and indexing standards.

FOUR PRIORITY AREAS

1 Quality Indices
Enhancing journal standards to achieve higher global impact rankings.

2 Editorial Efficiency & Timeliness
Streamlining editorial workflows, peer review and publication timeliness.

3 Board Enhancement
Strengthening editorial and reviewer boards through global expert inclusion.

4 Citation and Visibility
Strengthening research visibility, citation performance & global reach.

CONCLAVE FOCUS

- Review of 2026 publication performance
- Strengthening Quality of Scopus, Web of Science and PubMed indexing
- Expansion of the global editorial and reviewer network
- Improving publication quality, timeliness and ethical compliance
